## *From the Principal*

Thank you to the Moorook school community for welcoming me back to Moorook Primary School. It is great to be here. A big thank you to the staff of the school for ensuring that the wellbeing and the learning for the students has continued during Sonya's absence. We wish Sonya a speedy recovery. Last week Mrs Wormald accompanied Riley, Ashlen, Addy, Eden, Maddie and Caleb from the Upper Primary class to represent our school at the SAPSASA swimming held at the Loxton Pool. All students swam in various races consisting of Freestyle, Breaststroke, Backstroke and Butterfly and showed such persistence to complete their events. It was wonderful to see both Maddie and Caleb selected in the Riverland team. We look forward to hearing of their future success.

Next Wednesday the Upper Primary Class will be travelling to Adelaide to visit the South Australian Migration Museum and Maritime Museum as part of their studies in HASS (History and Social Sciences). This is a great opportunity for our students to understand the migration journey through South Australia's history by viewing displays and reading personal stories of ordinary people. It will be an early start (students arrive at school at 7.15am for 7.30 departure) and arrive home at approximately 6.30pm. If there are any changes to the arrival time, Mrs Wormald will advise through Class Dojo.

Following on from the excursion will be the Small Schools Sports Day with K-O-M, Cobby, Glossop and ourselves all participating in the Day. It will be held at the Cobby town oval on Friday 5th March. It is a great day and we welcome families and friends to come along and enjoy the day.

Kind regards,

*Bernie Lipman*

# SAPSASA Swimming

"It was awesome. No other way to describe it, stressful but awesome. I had three races against other 13 year olds. I had 100m freestyle, 50m breaststroke and 50 m freestyle. In the end I came third in all my races and got an invitation to swim in a 4x 50m relay representing the Riverland in Adelaide. I was so excited when I found out. At this event there was a canteen open with drinks, slushies and lollies. There was also a van that did coffees, smoothies and milkshakes. Me, Maddie, Ashlen, Addy, Caleb, Eden and Riley competed to represent Moorook! Overall, this event was fantastic and we all really enjoyed it."

**Maddie, Yr 7**

"In SAPSASA I competed in breaststroke and freestyle. I really enjoyed competing. My highlight was a day out of the classroom and representing the school." **Ashlen, Yr 7**

"Beeeeeep!" I was off racing as fast as a horse I was. Looking around no one in front of me so I paddled. I WON! I got 50 seconds on my first race. "Yes!" I said, "My PB (Personal Best). I got a smoothie." Caleb, Yr 4

"Snap! I dived in the pool. I was swimming breaststroke. I touched the wall with two hands. I got 1:21 minutes. My next event was butterfly. I was nervous but I end up coming second out of 8 people. I was happy. I beat my time and got a time of 1:18." **Eden, Yr 4**

"This was the first time that I had accompanied a group of students to SAPSASA swimming events. I felt privileged and excited as I knew we had a great team of Moorook students who were keen and committed to doing their best and representing the school with pride. We were lucky to have Mrs Piltz accompany us as a driver and supporter. Other parents popped in during the day to support the students. The students' ability to overcome their nervousness and line up for the races in a positive manner was most inspiring, mixing well. They were driven by adrenalin and the desire to do their personal best. Boy, did they deliver! Our competitors were well organised and ready in plenty of time for their events. Loudly cheering for their teammates, they also supported friends from other schools, urging them to do their best. As we drove back to Moorook, the cars were filled with excited chatter of a day well spent, friendships cemented, pride in achievements and personal bests results. Well done Moorook Primary students. We are so proud of you." **Mrs Wormald**

News travels fast! After hearing about Syd's fantastic achievement of 60 years service to the CFS, Hon Vincent Tarzia came to meet the man himself, thanks also goes to Mr Tim Whetstone - Member for Chaffey for being there as well. It's good to see everyone else appreciates Syd as much as the people of Moorook!
