Part B
- Deputy Principal: There is no deputy at the school.
- School e-mail address: DL.0280.info@schools.sa.edu.au
- Staffing numbers: 0.11 FTE 12 hrs of SSO, Principal teaches 0.4, 2.0 full time teachers
- OSHC: We have a parent who offers before and after school hours care at her house.
- Enrolment trends: There is an expectation that the numbers will drop during the next 5 years.
- Year of opening: At the current site: 1923.
- Public transport access: Nil. Students are dropped off at school by their parents, they walk or ride their bikes.

2. Students (and their welfare)
- General characteristics: The school promotes a ‘family atmosphere’ where older children are encouraged to care for and guide younger school community members.
- (Pastoral) Care programs: A strong sense of community exists within the school. Each and every individual is responsible for each other’s learning and safety. This is encouraged by home group teachers. Parents/caregivers are always welcome in classrooms. We currently share a Pastoral Care Worker with Cobdogla and Kingston-On-Murray Primary Schools. He works at Moorook Primary on Thursdays each week and Wednesdays once a month. Brenton runs a number of fun social skills programmes for children including building go-karts, bee houses, bird houses, outdoor musical instruments etc.
- Support offered: Constant revisiting of school values and aspects of a ‘learning community’ enable us to keep all students aware that everyone is genuinely concerned for students’ wellbeing.
and learning. We are a KidsMatter School and we are currently implementing the 15 “Habits of Mind” and we encourage ‘Growth Mind Sets’ amongst all students, staff and parents/caregivers.

- Student management: Student Behaviour Management is based upon individuals being responsible for their own behaviour by showing care, concern, consideration and cooperation with others. A Behaviour Code is in place, where all students are required to understand all school rules, procedures and consequences.
- Student government: A strong SRC operates in the school and reports to the staff and the Governing Council. This promotes student decision making and leadership in the school.

3. Key School Policies
- Mission statement: Moorook Primary School is a safe and supportive community where windows of opportunity enable students to maximise their potential through a responsible balance of collaborative activities and individual pursuits.

4. Curriculum
- Subject offerings: 8 areas, with teachers implementing the Australian Curriculum and Teaching For Effective Learning Framework (TfEL). The Language Other Than English that we offer is Spanish. Our students learn this online each Wednesday.
- Special needs: Students targeted as requiring intervention, receive support from a School Services Officer or through the Principal supporting in the classroom. Currently we use the Multi-Lit Programme to support students who need help with Reading. Students are provided with one-to-one support whenever required.
- Special curriculum features: Literacy, Numeracy and Wellbeing Data are collected on a school wide basis and this is analysed to determine future priorities, as outlined in our Site Learning Plan. (see website to access)

In 2016 our school has commenced using the Daily 5 programme for Literacy. The students enjoy this framework for structuring their daily Literacy and it encourages students to be more independent and self-directed in their learning.

All curriculum areas supported by an extensive range of resources. Our Art/Technology room is a valuable facility. We are currently investigating the implementation of “Nature Play”. Staff, student and Governing Council are collecting information and attending training and development in this area.

- Teaching methodology: Due to multi-levelled classes, teachers provide differentiated curriculum for all students. Teachers need to be flexible and work collaboratively.
- Assessment procedures and reporting: Interviews once a year in Term 1, written reports twice a year in Terms 2 and 4. Profile books which contain student samples of work in all learning areas are compiled and sent home in the last week of Terms 1 and 3.
- Joint programmes: There are joint Interaction Days with other local small schools including, Kingston on Murray Primary School. Our students join in with students from the Small School Cluster of Schools for Be Active Afternoons and Small School Sports Day hosted by Cobdogla Primary School.

The Play Centre on site (open on Wednesday and Fridays from 8:30am-11:00am) works extremely closely with the R-2 class to ensure a seamless transition to school.

An effective transition program exists with Loxton High School.

Please see Site Learning Plan on our website in order to see the learning areas that our school is focusing on in 2016.

5. Sporting Activities
Our upper primary students are involved in SAPSASA sports activities and we join with local schools to participate in SAPSASA carnivals. Our students are also very involved in outside local sporting activities such as football, tennis, soccer and netball.
The school participates in the Riverland Small Schools Sports Days and Be Active Days also.

6. Other Co-Curricular Activities

We have a grant for $1400 to support this committee to meet these objectives.
Staff Meetings - Staff meetings are held each week.
PAC – The PAC meets and advises the Principal where necessary.
SRC – The SRC meets once a fortnight and reports to students, staff and council.
• Regular publications: Fortnightly newsletter which is well received in Moorook.
• Other communication: Moorook Primary School Website, Moorook Primary School Facebook page, Text to families when required. Staff handbook outlines school procedures and policies. Parent Information Handbook. Resources are relevant, current and well maintained. The school is in a sound financial position for its size.
Parents’ fundraising efforts provide finances for school resources and improvements.
• Special funding

11. Local Community
• General characteristics: Some families are associated in either fruit growing or dry - land farming. Other parents are involved in a variety of occupations in and around the Moorook district.
• Parent and community involvement: Excellent support, commitment and involvement shown at Moorook.
• Feeder schools: Barmera and Loxton Kindergarten and the Moorook Play Centre cater for our pre-school children.
Loxton High School operates a wonderful transition program and students in Year 7 have an opportunity to take part in the annual camp to Canberra.
• Other local care and educational facilities: Attached Play Centre.
Secondary students commute by bus to Loxton High School. Other educational facilities are available in both Barmera and Loxton including community libraries and Recreation Centres.

- Commercial/industrial and shopping facilities: Local Store. Good shopping, medical and sporting amenities are found in nearby Riverland towns like, Barmera, Berri and Loxton.
- Availability of staff housing:A government employee’s house is situated next door to the school. Some local rental exists. Government housing is in Barmera and Loxton.
- Local Government body: The amalgamation of the Waikerie and Loxton councils puts Moorook almost in the centre of the district. The school receives good support from the council.

12. Further Comments: A strong sense of pride for the school exists in the community. This is something that the staff work hard to maintain.
